Mark Your Calendar for a morning of fun running and eating at the MRU 12th annual Devil's Throne Fun Run

WHEN: Saturday morning, July 18th, 2009, 8:00 AM
WHERE: Cerrillos, New Mexico

No entry fees or awards but a very good time! We encourage walkers and runners to join us on Saturday morning, July 18th in beautiful Cerrillos, New Mexico where we will run or walk up the "hill from hell", Devil's Throne. The measured distance for the event is 5 miles, but you may run or walk as far as you like. Following the run those who wish may share a meal at the No Pity Café in beautiful Madrid, New Mexico or we will have a picnic near the finish line in Cerrillos. Meal plans are not yet finalized. At a minimum, water and light snacks will be provided at the end of the run in Cerrillos.

We want to remain as unobtrusive as possible so as not to bother the town folk in the quiet community of Cerrillos. We will park and begin the run on the trail just west of town and north of the tracks. To arrive at this location, take I-40 east to Tijeras. Travel north from Tijeras on old Highway 14. You will pass by Cedar Crest, Golden, and Madrid. When you arrive in Cerrillos (about 3 miles north of Madrid) you will be driving in on Main Street. Make the first right hand turn onto First Street. You will cross the railroad tracks and make the first left onto Waldo Canyon Road. You will drive a short distance crossing a cattle guard and then a ravine/gully. There is a grove of trees immediately to the right. We will park there and begin and finish the run at that location.

This fun run replaces the 15k and 5K event that Gil Duran sponsored and managed for years in memory of his grandfather.

Please call Cece Niemczyk at 268-4664 or Alan Overmier at 345-3261 or 254-2218 for more information and to let them know if you will be attending. Please try to carpool. HOPE TO SEE YOU IN CERRILLOS!
